100% Golf is a sports game that puts a new spin on the classic golf experience by replacing scores with percentages. You start every level with 100% power, and each move decreases this number corresponding to the power of your shots. Your aim is to pass every level with as much leftover power as possible, because hitting 0% results in losing the round. There are a total of 27 holes to practice on, and an Endless Mode to maximize the fun once you've finished the main campaign. 100% Golf is the golf game you've been waiting for, one hundred percent guaranteed!
