<p>2009 video game</p>

<p>Call of Duty: Modern Warfare 2 is a 2009 first-person shooter game developed by Infinity Ward and published💪 by Activision. It is the sixth installment in the Call of Duty series and the direct sequel to Call of💪 Duty 4: Modern Warfare. It was released worldwide on November 10, 2009, for Windows, PlayStation 3, and Xbox 360. A💪 separate version for the Nintendo DS, titled Modern Warfare: Mobilized, was also released on the same day. A version for💪 OS X was developed by Aspyr and released in May 2014, and the Xbox 360 version was made backward compatible💪 for the Xbox One in 2024.</p>

<p>The game's campaign follows Task Force 141, a multinational special forces unit commanded by Captain💪 Soap MacTavish as they hunt Vladimir Makarov, leader of the Russian Ultranationalist party, and United States Army Rangers from the💪 1st Ranger Battalion who are defending the Washington, D.C. area from a Russian invasion. The game's main playable characters are💪 Sergeant Gary "Roach" Sanderson, of the 141, and Private James Ramirez, of the Army Rangers, with Captain MacTavish becoming playable💪 later in the campaign. The multiplayer mode was expanded upon from the previous game, with several new features and modes.</p>

<p>Development💪 for the game began in 2008, when it was still known as Call of Duty 6. It uses the IW💪 4.0 engine, an improved version of Call of Duty 4's IW 3.0. Infinity Ward was inspired by real-life conflicts when💪 developing the campaign mode. They initially tested the multiplayer mode by playing an in-house beta version of the game. Modern💪 Warfare 2 was officially announced in February 2009. Teasing of the game began in March, with short trailers being released💪 for the game and, eventually, a full reveal trailer. The multiplayer mode was revealed shortly after. Two downloadable content packs💪 were released for it post-release, each containing five new multiplayer maps, with some being remastered maps from Call of Duty💪 4.</p>

<p>Modern Warfare 2 received universal acclaim, with praise for its campaign, multiplayer, and amount of content, although it received some💪 criticism for its short length and a lack of innovation. Within 24 hours of release, the game sold approximately 4.7💪 million copies in North America and the United Kingdom ending as the best-selling video game in 2009 in the USA.💪 As of 2013, the game had sold 22.7 million copies becoming one of the best-selling PlayStation 3 video games and💪 best-selling Xbox 360 video games.
