&lt;p&gt;&lt;/p&gt;&lt;p&gt;On Juneteenth, JSOC finally captures Menendez in Yem  
en with the assistance of undercover CIA agent, Farid. However, before being app  
rehended, &#128176; Menendez orders Farid to execute a captured Harper; Menende  
z will kill Farid if he refuses. Menendez is taken aboard the &#128176; aircraf  
t carrier USS Barack Obama, commanded by Admiral Tommy Briggs. During an interro  
gation, Menendez escapes with the aid of Nicaraguan-American &#128176; DEVGRU o  
perator Javier Salazar, revealed to be his mole inside JSOC. The precise consequ  
ences of Salazar&#39;s betrayal are determined by &#128176; the preceding fates  
of Lynch, Farid, and DeFalco.[c] After wounding or executing Briggs, Menendez u  
ses the Obama&#39;s terminal to hack &#128176; into a military satellite via a  
celerium virus he smuggled aboard, seizing control of the entire American drone  
fleet. The &#128176; Obama survives the subsequent attack if the preceding Stri  
ke Force missions were completed, causing China to send drones to assist, &#1281  
76; and if Briggs remains alive to activate the ship&#39;s defenses.&lt;/p&gt;  
&lt;p&gt;Ten years later following the events on the Moon, Earth has &#128176;  
been reduced to a crumbling, hellish wasteland overrun by zombies. In this new w  
orld, four survivors - Samuel Stuhlinger, Abigail &#128176; &quot;Misty&quot; B  
riarton, Marlton, and Russman - have banded together to survive in Washington wi  
th the help of a bus driven &#128176; by a robotic driver. The four are contact  
ed by both Richtofen and Maxis, who is now a digital artificial intelligence, &  
128176; for aid against the other. Both former scientists request the four to a  
ssist them in powering up a tower within &#128176; the area to work in their fa  
vor. Once done, regardless of the path they choose, they are teleported by Richt  
ofen &#128176; to a crumbling skyline in Shanghai, China. The four learn of The  
Flesh, a cannibalistic cult that chooses to eat &#128176; zombie meat, as well  
as the beginnings of a new airborne pandemic of Element 115. Stuhlinger is thre  
atened by Richtofen, &#128176; who knows of his past as a member of The Flesh,  
which allows only him to hear Richtofen and not &#128176; the others. At the si
