<p></p><p>Based on the historical character Gonzalo Pizarro, t
he Gonzo's Quest slot features a funny, 3D animated version of the explorer&
#128737; setting off to find Eldorado, the fictional lost city of gold.</p>
<p>The game begins with a brief, yet entertaining, animated film🛡
introducing you to Gonzo's story, where he jumps ship to go off in search of
gold on his own. After🛡 the video, you're launched directly into th
e 5-reel, 20-payline game, and Gonzo takes his place to the left of the🛡
screen, where he watches and waits to see how much gold you win for him.</p&
gt;

<p>Gonzo is quite the entertaining guy🛡 in his little conquistador
's uniform, scratching his beard and spinning his helmet in boredom, dancing
and fist-pumping when wins occur,🛡 and even doing a moonwalk across the
screen when he's really happy with the payout.</p>
<p>The screen art is beautifully rendered,🛡 with an Inca temple in
the background, lots of greenery, and a fountain of water pouring out of a ston
e-carved🛡 face. The background noises make you feel like you're real
ly in a Central American jungle, and when the symbols fall,🛡 it sounds l
ike real stones tumbling.</p>
