Usually business and school administration

offices disable this on a Chromebook because they give the device t

o; you to use for work, therefore disabling access to certain websites a

nd features. They don't want you to mess around with t

heir devices. There are 3 solutions to this; Buy a personal Chromebook.

If you're using a Chromebook managed by a school or bu

siness, the inspect element function might be blocked,

and you'll be unable to follow the steps in this guide. There's

no way to unblock it without asking the administrator first.
