developed by Epic Games. It is the companion game to Fortnite: Save the World, a cooperative, survival game with construction elements; many maps feature various objectives such as: defeating enemies, finding items, and completing challenges. The game is set in a post-apocalyptic world where players must work together to survive against hordes of zombies and other threats. The game is available on PC, Xbox One, and PlayStation 4. It is a free-to-play game with optional in-game purchases. The game is currently in development and is expected to be released in 2017.
