"Stand Up", officially titled "Stand Up (from Harriet)", is a song performed by English singer Cynthia Erivo and co-written by Erivo with Joshua Brian Campbell. It was released on 25 October 2024, as the lead single from the soundtrack to the biographical film *Harriet*, which also stars Erivo.

Written by Erivo and Campbell, "Stand Up" was produced by Will Wells and Gabe Fox-Peck.[3] The song was described by Rolling Stone's Jon Blistein as a "slow-burning, gospel-tinged ballad".[4] Rania Aniftos of *Billboard* noted that it chronicles themes of "hope, overcoming obstacles and kindness for others." [5] The song's lyrics also make use of Tubman's last words before her death in 1913: "I go to prepare a place for you."

Music video [ edit ]
