The strength of a straight is determined by the rank of the card at the top of the run. The strongest straight is hence the 'broadway' straight (TJQKA) while the weakest straight is the 'wheel' (A2345). These are referred to as Ace-high and Five-high straights respectively.

Poki is one of the most popular sites with free online games where children can choose what kind of games they want to play from the different categories that our friends have. One of the most important things that Poki has is that players can access games from their mobile, tablet, or even computer, and in this way, each player can continue their mission regardless of the device they use.
