What are First Person Shooter (FPS) Games?

First Person Shooter (FPS) is a sub-genre of Shooter Games. However, FPS games are played through a first-person perspective. Play through the eyes of the main characters and enjoy the 3D gaming experience. Use your fists, wield a knife or carry a machine gun and fire away! These games are often played online against other players.

Google Maps needs a strong internet connection to work properly. If your internet connection is weak, it may be causing Google Maps to show your wrong location. Try moving to a location with better internet reception or connecting to a different Wi-Fi network.
