While there is no movement required, it's still quite fun to wave your mouse around and shoot at the moving targets. Do note that reloading takes some time, so plan your shots accordingly. The game is easy and perfect if

you have a downtime between your work. Like Subway Surfer, the speed increases, making the game harder. It's one of those titles that has defined gaming on a mobile phone. Hence, if you have never played this, try giving it a run (pun intended).

Bubble Trouble involves you playing as a demon while wearing some of the most pre-2010 fashion. I mean, look at the glasses and the black coat. That just gives an extreme Flash game vibe. Its history is rooted in the humble Android Play Store, and it returns as a classic to the Poki platform.

Vectaria.io is a Minecraft clone that follows the same ideas introduced by the game. However, this one is on a much smaller scale and online. This means you can gather items, create structures, and even fight enemies alongside other players.
