<p></p>  
<p>Your main goal in Animal Shelter will be to look after, treat, and give  
shelter to those under your care. You will have plenty of work to do with the s  
helter, which will become a refuge for any creature in need and will certainly h  
elp in finding suitable future owners. Keep in mind that the future owner-pet du  
o must complement each other. Your main goal? Finding a suitable home for your p  
ets!Who doesn&#39;t love taking pictures of their pets? We provide you with your  
own photo room, where you can create extraordinary photo sessions. Be creative,  
play around, and finally use the photos as decorations for the shelter. This wi  
ll surely attract the attention of new visitors!The adoption process is very len  
gthy and can give your pets a hard time.Remember to monitor their needs: from hu  
nger and health to willingness to play and love. Special name cards will certain  
ly come in useful. Their job will be to indicate the current needs of your littl  
e ones.Remember! An entertained pet is a happy pet! Your pets will spend most of  
their stay at the facility in comfy boxes, which is why you have to take care o  
f the right amount of daily entertainment and exercise to keep them strong, heal  
thy, and relaxed. Pet them, hand out treats, play with balls or lasers, and they  
will surely repay you with great trust and a happy muzzle!A shelter is not only  
boxes: it is also a whole lot of other buildings. We give you the construction  
mode: manage, buy new buildings, rearrange the existing ones, expand the area -  
you are in charge! Remember that everything matters, and the spacing of outlets  
is no exception. Make your decision with caution. In the end, you will be the on  
e moving around the shelter with your pets.In Animal Shelter, we bet on innovati  
on. You will not find our solutions in any other shelter. One example is the com  
plete absence of noisy delivery trucks, which will be replaced with fast and qui  
et drones. Isn&#39;t that cool? It will definitely minimize stress in the animal  
s that are not very fond of noise, and this is just one idea! Our game features  
so much more!</p>
