<p></p><p>The single-player campaign features one playable cha
racter, Jack Mitchell, as opposed to multiple characters in most previous Call o
f Duty , games.[8] It uses pre-rendered cinematic cut scenes, similar to Call of
Duty: Black Ops II, to assist in the story , aspect of the campaign.[4] After e
ach mission, the player is given a certain number of upgrade points that can be
, used to upgrade the Exo suit or weapons. The player can upgrade detection, arm
or, resistance, tactical, lethal grenade, sprint, recoil, , flinch, reload, quic
k aim, and battery. The number of points that are given is determined by the pla
yers performance in , the missions. The player may earn additional points by com
pleting specific side objectives, one of which is collecting the game's , co
llectable 'Intel'.[9] The player can switch between different grenades,
all of which possess distinctly different abilities.[10]</p>
