The game is set during World War II and the campaign mode is experienced through the perspectives of four soldiers: one in the Red Army, one in the United States Army, and two in the British Army. It contains four individual campaigns, split into three stories, with a total of 27 missions. Many features were added and changed from the original Call of Duty, notably regenerating health and an icon that indicates a nearby grenade about to explode.

The Pointe du Hoc D-Day mission in the single-player campaign depicts U.S. Rangers going ashore in LCVP landing craft.

Campaign [edit]

The game's budget was R\$14.5 million.[30] Development time was 2 years with 75 people.[30] Despite being first on the new Xbox 360 platform, the game was developed with no mandatory overtime or weekend work.
