Neymar Jr. became the latest in a long line of playe

rs to make a move to the Middle East when ; he joined Saudi Pro League

club Al Hilal from French giant Paris Saint-Germain, but the Brazilian superstar

credits one of ; his rivals for starting the country s soccer boom.

;

Ronaldo signed a two-and-a-half year contract reported to be worth more

than 200 ; million euros (\$220.16 million) with Al-Nassr in December 2

024 after leaving Manchester United.

Since then, Karim Benzema, N Golo Kant;, Kalidou Koulibaly, ;

52; Edouard Mendy, Roberto Firmino, Sadio Man; and Marcelo Brozovi~ have b

een among the star names to move to the Saudi ; Pro League.

I am driven by challenges, said Neymar after making the move. Obviou

sly, when you face a challenge like this ; it boosts your self-esteem.

I am there to help the league grow more and more.

Neymar played in a star-studded front ; three alongside Kylian

Mbapp; and Lionel Messi while in the City of Light. Unfortunately for socc

er fans, the trio never ; reached the heights spectators were expecting

and have since gone their separate ways with Mbapp; the lone survivor in P

aris ; though his future is far from certain with the French club.
