Black Ops II is also the first Call of Duty game to

include a competitive mode. Known as League Play, the mode allows pla

yers of similar skill level to be matched together, and play according to the ru

les of Major League Gaming.

Treyarch confirmed that the Zombies mode would return for Black Ops II

with new game modes. This is the third Call of Duty game to feature a

Zombies mode, following Call of Duty: World at War and Call of Duty:

Black Ops, and the first to have game modes other than the traditional Survival

mode. Treyarch also confirmed that Zombies would run on the game's

multiplayer engine, allowing for a deeper community experience, along with ne

w features. A new, 8 player co-op game called "Grief" is al

so supported, featuring 2 teams of 4 players competing to survive, unlike the

previous games which only supported 4 player online co-op. As with the

previous installments, each Zombies map contains "Easter eggs" side

quests, which is used to progress the story. Another new mode, "Tu

rned", is introduced with several downloadable content maps, in

which one player attempts to survive three player-controlled zombies who must tu

rn the other player into a zombie.
