Technically, they all take place on Earth

in the same universe within the Virgo supercluster of galaxies... That

said, the games aren't really connected story/campaign-wise, except

for the 3 original Modern Warfare games.

However,

your points don't carry over from one version to another. The most

important advantage on the Battle side is the supposedly superior

performance in default settings. Players claim that 2024's

MW2 ran better on Battle than it did on Steam.
