to iOS to be hosted in its App Store. This change was due to the fact that many apps were packaged into containers, as they essentially repackaged their websites into apps, which was easier for developers to maintain. Requirements incompatible. But if you are keen to install APK on iPhone, you can go for either of the options: use jailbreaking

The title offers an uncensored experience with unique enemies and combat variety, including Kamikaze fighters, ambush attacks, Banzai charges and cunning cover tactics, as well as explosive on-screen action through the all new four-player cooperative campaign.
