[Amazon Black Friday 2024: Everything you need to know](#)
Black Friday always offers tons of deals on all kinds of products, allowing customers to get deep discounts on tech, home goods, clothing, toys, and more. It's a great way to check items off your holiday shopping list without having to pay full price for everything.

The short answer is, yes, products actually are discounted during Black Friday sales. According to Adobe Analytics data, discounts this holiday season will hit record highs of up to 35% off the list price, with the best deals occurring from Thanksgiving through Cyber Monday.
