Embark on an exciting adventure with the return of our favorite characters in Fireboy and Watergirl 5: Elements. This browser-based online game retains its core objective - making sure both heroes reach the room exit safely and unscathed. Remember, fire and water don't mix, and the green substance poses a threat to both characters. Control Fire Boy with the arrow keys and Water Girl with the WASD keys. Along the way you'll find various levers to open doors and purple buttons to change platform locations. Collect diamonds that correspond to each character's element.
