The section of 1001 games designed for tablets and smartphones, which also work &#128182; on desktops, is also growing rapidly. We have collected for you a vast number of games, including all the most &#128182; famous game series that are updated daily, which are not available on the original Poki website yet. To start with, &#128182; choose the genre you like, then decide on the game you want to play and launch it right away, without &#128182; registering and downloading it to your computer.</p>

<p>From Flash to HTML5 available without Poki games</p>

<p>Since people have always enjoyed unwinding and &#128182; having fun, they have created numerous devices or simply exploited resources that were available to them. That is how things &#128182; familiar to us were created: balls, skittles before that they were just stones and sticks. But now we have &#128182; all these technology and devices, thanks to which the gaming component of everyday life has increased many times.</p>

<p>Since modern browsers &#128182; have stopped supporting Flash technology since 2024, games based on this system are gradually leaving web pages. However, there are &#128182; still some of the most popular toys that work in browsers using special emulators. HTML5 technology significantly expands the possibilities &#128182; for players. Created using modern developments, HTML5 games can be launched both on desktops and on many other devices of &#128182; various modifications.</p>
