

O O bet365

In early 2024, Trello is acquired by Atlassian and begins the next chapter in empowering teams everywhere.

About Us: Trello History, Logos & Customers

Trello : about

Trello is a web-based, kanban-style, list-making application and is developed by Trello Enterprise, a subsidiary of Atlassian. Created in 2011 by Fog Creek Software, it was spun out to form the basis of a separate company in New York City in 2014 and sold to Atlassian in January 2024.
