Polytheistic peoples from many cultures have postulated a thunder god, the personification or source of the forces of thunder and lightning; a lightning god does not have a typical depiction, and will vary based on the culture. In Indo-European cultures, the thunder god is frequently known as the chief or King of the Gods, e.g. Indra in Hinduism, Zeus in Greek mythology, and Perun in ancient Slavic religion.

Here are the scariest moments to come out of the movie. Kyle Edward Ball's Skinamarink is a frightful marriage of primal fears and video experimentation. The film immerses the viewer in an ominous environment with long sequences of silence and shadow disrupted by flashes of light and explosive bursts of sound.
